

PROGRAMA

SCHEDULE & TECHNICAL PROGRAM

FIRST DAY (NOV/8/18)

10:00 REGISTRATION

09:45 **Hydrocarbons workshop for students**
MINISTER OF HYDROCARBONS-FIGAS
(Venue: La Bodega, Los Parrales Hotel)

10:45 **Workshop: Led luminaries solutions for Oil & Gas, Energy industries** (solutions for harsh and hazardous environments) Venue: La Falca

14:00 OPENING SESSION

(Venue: La Bodega, Los Parrales Hotel)

HYDROCARBON SECTION

14:30 Speaker **Hector Gonzalez Gomez**, Executive Director
Technical Development & HSE, Repsol, Spain

PANEL I: THE CONTRIBUTION OF THE BOLIVIAN OIL PROFESSIONALS TO THE GLOBAL INDUSTRY

15:00 Moderator **Marcelo Vargas**, SPE Bolivian Section

Eduardo Alba, CEO, Equipetrol

Carlos Carrillo, Chairman, Bolpegas

Enrique Menacho, CEO, Bolinter

Rafael Aguilar, CEO, Schlumberger Bolivia

Carolina Aponte, CEO, Hoerbiger

16:15 COFFE BREAK Networking at ExpoFigas Area

Sponsored by

PANEL II: EXPLORATION, RESERVES & MARKETS

Moderator **Alvaro Rios Roca**,
Gas Energy Latam Partner, CEO

16:30 **Bolivian hydrocarbons exploratory prospects**

Oscar Barriga, CEO, YPFB Corporation
Bolivia

16:55 **Huacareta Project, social impact, operations challenges**

Frederic Vander Heyden, Exploration Manager
Bolivia, Shell Bolivia

17:20 **The new hydrocarbons scenario in Brazil**

Jose Carlos Tigre, I+D Agencia Nacional de
Petroleo ANP, Brazil

17:45 **Technical experience of Vaca Muerta's shale gas and its impact in the market**
Marcos Zandomeni, Former Energy Minister
(Mendoza), Argentina

18:10 **Retrospective, innovation and future advances for the supervision of hydrocarbon exploratory areas in Bolivia**

Gary Medrano, National Hydrocarbon Energy
Agency (ANH), Bolivia

18:35 Q&A

19:00 OFFICIAL OPENING CEREMONY & RECEPTION

Luis Alberto Sanchez, Minister of Hydrocarbons Bolivia

Concierto de Aranjuez

Daniel Casares and Filarmonic Orchestra of Tarija

Sponsored by Spain Embassy and Repsol Bolivia

SECOND DAY (NOV/9/18)

PANEL III: ENERGY

Moderator **Carlos Pelaez**,

CEO Brucken Consult (Germany), Bolivia

08:30 **Generation and new projects in the Bolivian energy matrix**

Rafael Alarcon Orihuela, Minister of Energy, Bolivia

08:55 **Renewable energies in the Bolivian energy matrix**

Michael Mechlinski, GIZ (Germany), Bolivia

09:20 **The Guabira Energy biomass project**

Sergio Arnez, Project Manager Guabira Energy,
Bolivia

09:45 **Innovation in the process from fossil to renewables: The key role of eolic generation**

Carla Tapia, Eolic Energy Expert, Enercon, Germany

10:05 COFFE BREAK Networking at ExpoFigas Area

Sponsored by

10:30 **Energy Generation and transmission projects for 2019 - 2020 in Bolivia**

Joaquin Rodriguez, President of ENDE Corporation, Bolivia

10:55 **Siemens technology for Co-generation in Ethanol Plants**

Marcelo Figueredo, Siemens Energy, Brasil

11:20 **The impact of biofuels on economy**

Miguel Dabdoub PhD, President of Biofuels Chamber
Sao Paulo, Brasil

11:45 **The participation of ethanol in the Bolivian Energy matrix**

Luis Barberly Paz, President of FEPSC, Bolivia

12:55 Q&A

12:30 LUNCHEON

Sponsored by

4th WORKSHOP ON SEISMIC AND EXPLORATORY TECHNOLOGY FOR OIL & GAS

Moderator **Aldo Caballero Roca**,

Country Manager, SAExploration, Bolivia

14:00 **Knowledge of the basins to be able to identify hydrocarbon potential**

Javier Esquivel, Manager of Technical administration of
contracts and evaluations for YPFB Corporation, Bolivia

14:25 **Integration of information in the reduction of structural uncertainties in naturally fractured reservoirs**

Daniel Amancio Lorenzo, Senior Operations
Geologist, YPF S.A., Argentina

14:50 **"X-Tech: Cutting edge technology for high efficiency seismic acquisition"**

Lenin Espinosa, FSE Sr. Land Equipment
Americas and Midel East, Sercel Inc., USA

15:15 **New challenges and technologies in seismic exploration**

Jaime Vergara, General Manager Geospace
Technologies (South America franchise),
Colombia/Estados Unidos

15:40 **A more reliable source of seismic energy to acquire complex images underground**

Juan Miranda, Global Commercial
Manager-Oil&Gas Orica USA

16:05 COFFE BREAK

Networking at ExpoFigas Area

16:30 **Modern MT technology for imaging the Subandean fold belt, Bolivia**

Nikolay A. Palshin PhD, Nord - West Ltd., Russia

16:55 **Depth conversion of complex Subandean structures**

Antonio J. Velásquez Sr. Geologist &
Geophysicist Advisor, Ecopetrol, Colombia

17:20 **Integrated Digital and Physical Core Analysis: A robust understanding of reservoir quality**

Jacob Proctor, Sr. Technical Advisor Digital Rocks
Analist at Ingrain: A Halliburton Service, USA

17:45 **"Bolivian regulations for hydrocarbon exploration in reserved areas ¿Is there a conflict of competences between governmental levels?"**

Iver Von Borries, Wayar y Von Borries Abogados,
Bolivia

18:05 Q&A

18:15 CLOSING CEREMONY

19:30 to 00:00 NOCHE CHAPACA (Networking Night)

Sponsored by SAExploration
Corporate gift by GEOSPACE

Transfer from and to Los Parrales Hotel,
Los Ceibos y Viñas del Sur
Venue: Jamones Ulloa
